 - Rubber
- Maximum traction
- Extended work life
- Superior stability and operational efficiency
- Protects equipment and surfaces

What to expect from ToughTek by Stellana

Stellana produces Track Pads with the highest standard of craftsmanship. Our products offer the lowest cost of ownership, and the longest work life found in our industry. Our stringent production process ensures that our track pads never debond and remain consistent from pad to pad. Stellana's worldwide production sites, USA, Sri Lanka, Sweden, and China have powered OEM success for decades.
